

## Chemung County Health Department Launches New Responsive Website

*The Chemung County Health Department provides access to clinics and vital health information necessary to promote public health in the community.*

Corning, NY – September 30, 2015

Chemung County Health Department of Elmira, NY has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features an updated, modern look, as well as a responsive design. Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user is on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of inCommand Technologies' Content Management System, allowing Chemung County Health Department to update all the content of their website.
