

## **Dimon & Bacorn, Inc. Launches New Responsive Website**

*Dimon & Bacorn, Inc. is one of the oldest and most successful family businesses in the Southern Tier of New York. They have been providing moving, storage and rigging solutions since 1900.*

Corning, NY – July 8, 2014

Dimon & Bacorn, Inc. of Elmira, NY has launched a new responsive website designed by creative [web design firm](#), inCommand Technologies.

Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of inCommand Technologies' Content Management System, allowing Dimon & Bacorn, Inc. to update all the content of their website.

### **About Dimon & Bacorn, Inc.**

Harry Dimon and Levi Bacorn founded Dimon & Bacorn in 1900 with the simple concept that customer service was more than words on paper. It is a strategy that began with two men, a horse and buggy and a vision of helping the community. From humble beginnings to today's three locations, over 100 employees and full fleet of trucks, that strategy has never wavered. Today, the fourth generation of the Dimon family is proud to lead one of the most successful family businesses in the Upstate New York region.
