

## Endeavor Toner Launches New Responsive Website

*Endeavor Toner is a woman-owned business that offers products to meet your printing needs. With toner installation options, they can proactively replace your toner as part of their service. Proactive toner replacement reduces toner waste further driving cost savings for the customers' bottom line.*

Corning, NY – August 7, 2015

Endeavor Toner of Rochester, NY has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features an updated, modern look, a product finder to help with all of your toner needs, as well as a responsive design. Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user is on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of inCommand Technologies' Content Management System, allowing Endeavor Toner to update all the content of their website.
