

Market Street Trust Company Launches New Responsive Website

Market Street is a client-owned family office that sustains and enhances wealth for generations by providing exceptional financial and lifestyle services to individual clients and families.

Corning, NY – August 17, 2015

Market Street Trust Company of Corning NY, and New York, NY has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features an updated, modern look, as well as a responsive design. Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user is on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of inCommand Technologies' Content Management System, allowing Market Street Trust Company to update all the content of their website.
