

Martin Oil Company Launches New Responsive Website

Martin Oil Company is a distributor of heating oil, diesel, gasoline and other energy products in west central Pennsylvania and northern Maryland.

Corning, NY – October 29, 2015

Martin Oil Company of Pennsylvania has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features an updated, modern look, as well as a responsive design. Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user is on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of a Content Management System, allowing for easy updates to all the content on their website.

About Martin Oil Company

Martin Oil Company was founded in 1962 as George O. Martin and Sons, Inc. In the 1980s, Martin Oil Company ventured into convenience stores. Over fifty years after their founding, Martin Oil Company continues to grow, serving thousands of customers. There are Martin Oil Company offices in Blair, Cambria, and Huntingdon counties, with deliveries extending into many areas beyond.
