

Moving Better Smarter Launches Updated Responsive Website

There is a better way to reduce pain, recover from injury, improve balance, increase flexibility, reduce stress, and sleep better. It's called the Feldenkrais Method®.

Corning, NY – July 29, 2015

Moving Better Smarter of Horseheads, NY has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features a responsive design. Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user is on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of inCommand Technologies' Content Management System, allowing for easy updates to all the content of the website.

About Moving Better Smarter

Learning to move with the least amount of effort The Feldenkrais exercises and treatments work neurologically, allowing the brain to help the body. It benefits all ages and disabilities and helps decrease back, neck, shoulder, knee and hip pain.
