

2-1-1 Mid York Launches New Responsive Website

2-1-1 Mid-York is a program of United Way of the Valley and Greater Utica Area, Inc.

Corning, NY – February 9, 2016

2-1-1 Mid York of NY has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features an updated, modern look, as well as a responsive design. Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user is on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of a Content Management System, allowing for easy updates to all the content on their website.

About 2-1-1 Mid York

Their purpose: Making it easier to find answers to solve life's problems.

How they do it: With professional tele-counselors who are ready to provide assistance 24/7, 365 days of the year and with their search-friendly website.

They give users: The most comprehensive listing of health and human services resources in Madison, Oneida, and Herkimer counties.

They are a community connection, providing answers and assistance so that users can take action.
