

## Knappy's Auto Body Launches New Responsive Website

*Knappy's Auto Body provides affordable collision repair for all foreign and domestic vehicles, friendly, helpful service, a 100% guarantee on all parts and labor, and free estimates without appointments.*

Corning, NY – January 27, 2016

Knappy's Auto Body of Elmira, NY has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features an updated, modern look, as well as a responsive design. Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user is on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of a Content Management System, allowing for easy updates to all the content on their website.

### **About Knappy's Auto Body**

Knappy's Auto Body has been family-owned-and-operated since 1938. They offer a level of personalized service you won't find at any other collision repair center. Their certified mechanics provide you with honest repair solutions that fit within your budget. Backed by more than 70 years of experience, they don't just get the job done, they get it done right the first time. Knappy's Auto Body handles anything from collision work to minor fender benders.
