

Oasis Ponds and Patios Launches New Responsive Website

Oasis Ponds and Patios makes your dreams of tranquility become a reality – if you can imagine it, they can create it, from ponds to patios to outdoor living space they can make your dreams a reality.

Corning, NY – February 15, 2016

Oasis Ponds and Patios of Addison, NY has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features an updated, modern look, as well as a responsive design. Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user is on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of a Content Management System, allowing for easy updates to all the content on their website.
